

# UNDERSTANDING DYING, DEATH AND BEREAVEMENT

thevalleysoftball.com: Understanding Dying, Death, and Bereavement (): Michael R. Leming, George E. Dickinson: Books. The text aids you in adjusting to the death of a significant other; helps you examine your feelings and reactions to death and grieving; and makes you aware of different cultural groups' death and bereavement customs. Using a social-psychological approach, this edition remains solidly grounded in theory and research, but places greater emphasis on the individual and coping with death and dying. It addresses such issues as religion and death attitudes, the dying process, euthanasia, bereavement, burial practices, and death perceptions from childhood. Michael R. Leming is professor emeritus of sociology and anthropology at St. Olaf College in Minnesota and co-director of the college's Spring Semester in. This textbook is about thanatology, the study of dying, death, and related phenomena. It is written by two sociology professors who seek to teach the reader about dying, death, and bereavement from a predominantly social perspective. Second, they want to aid students in adjusting to the death of a loved one. The authors seek to sensitize students to the subject of dying, death and bereavement; aid students in adjusting to the death of a significant other; help individuals examine their own feelings and reactions to death and grieving; and make readers aware of different cultural groups' death and bereavement customs. Trove: Find and get Australian resources. Books, images, historic newspapers, maps, archives and more. Available in: Hardcover.
